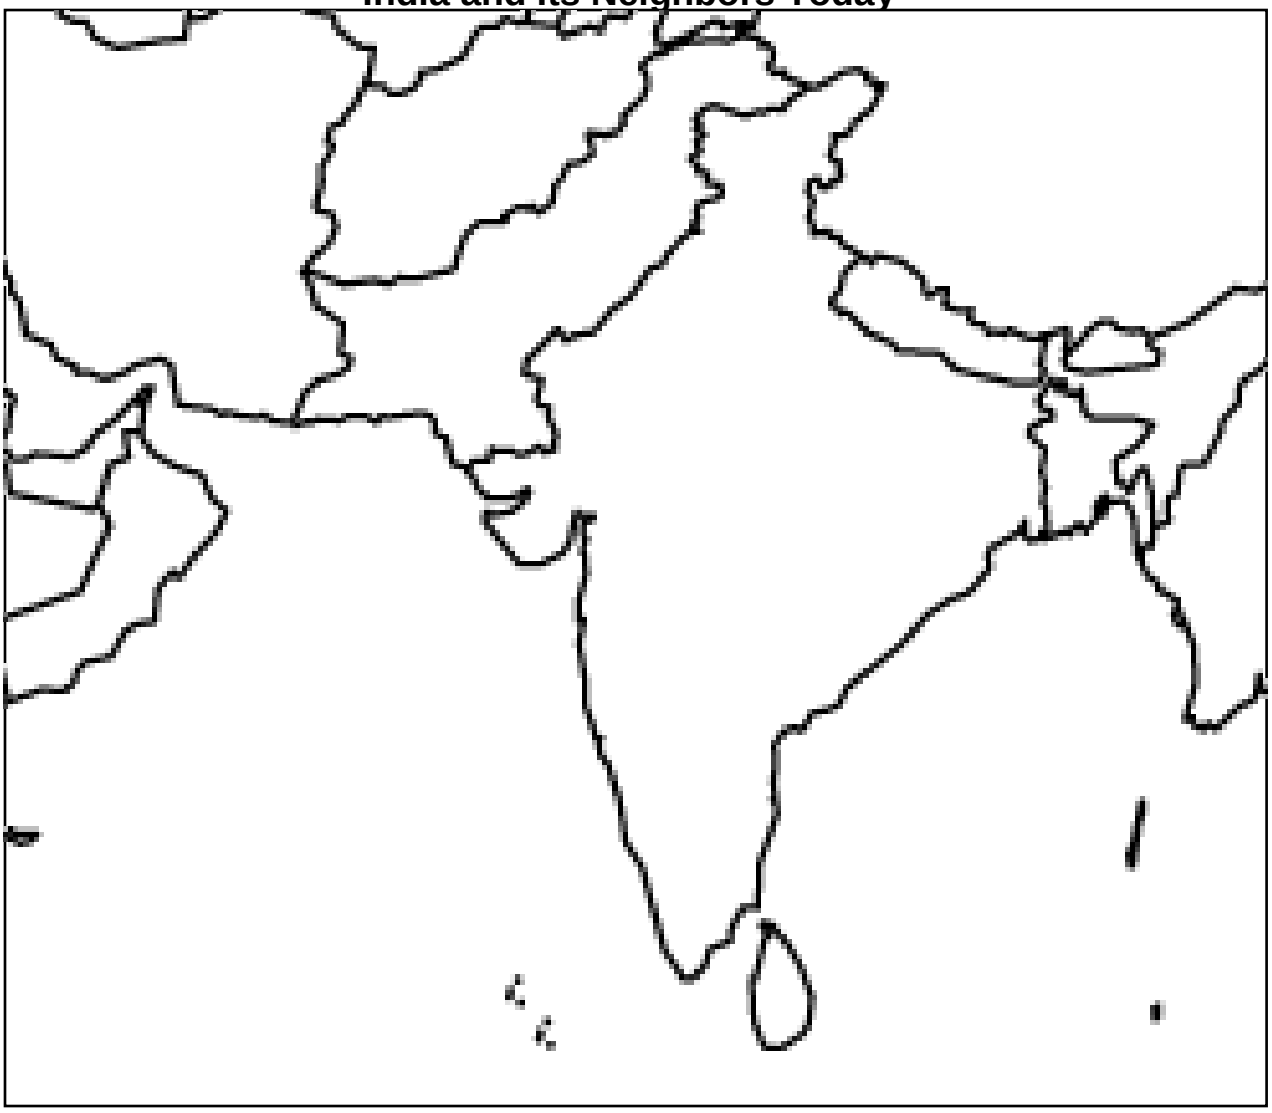
Geography 7.14	I can interpret maps and other geographic tools to find patterns in human and physical systems.

India and Its Neighbors Today



Your political map of India and its neighboring countries should include:

- ☐ Use Google Maps or our classroom's Student Atlas of the World to label and color the following countries:
  IRAN, OMAN, AFGHANISTAN, PAKISTAN, INDIA, SRI LANKA, NEPAL, CHINA, BANGLADESH, BHUTAN, SAUDI ARABIA, UNITED ARAB EMIRATES, TURKMENISTAN and MYANMAR.
- ☐ Label the Arabian Sea, Bay of Bengal, and Indian Ocean
- ☐ Label the Himalaya and Hindu Kush mountain ranges
- ☐ Include a Compass Rose
